Cartenplast srl Cookie Policy

Within the context of the recent Italian Government document published in the Official State Gazzette (n.126, 3 June 2014) on the use of and consent for cookies, this document aims to provide detailed explanation of the use of so-called "cookies", as well as other such similar technologies (such as web beacons/web bugs, clear GIFs, pixel tags etc) on the computers of users who visit our website (PCs, tablets, smartphones etc). Cookies allow us to improve the sectors that we offer; some are essential for our website to function correctly, while others help improve the service and experience it offers our users. Below, you can find detailed information on cookies, which type of cookies are used on our website, how to disable them via your browser and how to block the so-called "third-party" cookies.

The Data Manager of cookies on the website http://www.cartenplast.com is Cartenplast srl, 51-51a Via Roma Nord, 42030 Vezzano sul Crostolo (RE), Italy, as represented by its legal representative (telephone 0039 0522 606330, or email: info@cartenplast.it); the site is hereafter referred to as the Website. Our Cookie policy has been developed within the context of our Privacy Policy, as per Articles 13 and 14 of the European Union's 2016 General Data Protection Regulations (GDPR) and subsequent national laws that apply it.

Cartenplast srl uses cookies to offer our users a simple and efficient service during their visit to our Website and its individual pages.

What are Cookies?

Cookies are small text files that are saved onto users' computers (or other devices used to visit our Website, as mentioned above). For more general information, please visit http://www.allaboutcookies.org/

What type of cookies do we use?

Session cookies	Persistent cookies
these identify the user during visits to our Website, and allow them to interact with it. Once the user closes the session - i.e. the browser is closed - they are deleted from the system. They are temporary in nature.	these are saved onto users' hard drives (or other devices), and remain there until the user chooses to delete them, or they reach their pre-set expiry-date. As such, the time they remain on the hard drive depends on the type of cookie and users' browser settings.

Cookies can be further divided into **technical cookies**, **profiling cookies** and **third-party cookies**.
Technical cookies used by the Website, in that they are the cookies that allow the site to function properly, fall

3) Third-Party Analytic Cookies

Third-party services used on our Website	For further information
Google Analytics (Google Inc.)	http://www.google.com/policies/privacy/

This site uses Google Analytics, a web traffic analysis service offered by Google Inc (hereafter "Google"). This service is used to gather statistical data that helps us to improve the experience we can offer visitors to our Website. Google Analytics uses these cookies to gather and analyse information in aggregated form regarding how users interact with our Website (for example, the most-visited pages, where visitors come from geographically etc). Google archives such information on its own servers in the USA, and the data generated by Google Analytics are stored in the manner indicated in its information sheet.

For more information on Google's privacy policies (as the data holder of the information gathered by Google Analytics), please visit their website (http://www.google.com/intl/en/policies/privacy).
Users can choose to disable Google Analytics using the special Google opt-out add-on for their browser: click on https://tools.google.com/dlpage/gaoptout for more information.

Profiling cookies
Cartenplast srl does not use profiling cookies

How I check or delete Cookies?

Most browser accept cookies, but users can decide to change their browser's settings: cookies can be rejected or disabled, or users can decide to receive a warning with a new cookie is to be saved to their device. However, disabling or rejecting cookies on our Website can cause it or some of the services it offered, not to work properly or completely. If you use more than one type of device (PCs, smartphones,
 tablets etc) to visit our Website, you further need to make sure that the browser on each has been set according to your preferences.

You can find further information on how to change the settings on your browser via the links below (for the most popular browsers available):

Mozilla Firefox
Google Chrome
Microsoft Internet Explorer
Apple Safari
